INTRO

[Am]   Finally I [D] figured out
But it [Am] took a long, long [D] time
[Am] But now there's a [D] turnabout
[Am] Maybe 'cause I'm [D] trying?

(PRE-CHORUS)
[Em]   There's been [Am] times…   (I'm so con- [Em]fused)
All my [Am] roads…   (they lead to [Em] you)
I just can't [Am] turn and walk a- [D]way

(CHORUS)
It's [G] hard to [C] say what it [Am] is I [D] see in [G] you
Wonder [C] if I'll [Am] always [D] be with [G] you
But [C] words can't [Am] say, and [D] I can't [G] do
E [C]-nough to [Am] prove, It's [D] all for [G] you   [C] [G]

[Am]   I thought I'd [D] seen it all
'Cause it's [Am] been a long, long [D] time
[Am] But then we'll [D] trip and fall
[Am] Wondering if I'm [D] blind

[Em] Coming from your [D] eyes
