

Born to Run

by Paul Kennerley, artist Emmylou Harris, 1982

[A] [D] [G] [D] [A] (2x)

Well I [A] never did crawl and I [D] never did [G] toe [D] that [A] line
[A] No man is a master to [D] me I [G] ain't [D] that [A] kind
I [D] just put on my [G] traveling [D] shoes
If you wanna win you [G] just can't [D] lose the [E] time
Or stay [A] behind.

Well, I was [D] born to [A] run
To get [D] ahead of the [A] rest
And [D] all that I [A] wanted was to [E] be the [A] best
Just to [D] feel [A] free, and [D] be some- [A] one
I was [D] born to be [A] fast I was [E] born to [A] run.

Well I [A] take the chances some- [D] times I've [G] made [D] mis-[A] takes
[A] But you don't get nothing un- [D] less you [G] take [D] the [A] breaks
[D] Living as dangerous as [G] dyna- [D] mite
Sure makes you feel nervous but it [G] makes you [D] feel al-[E] right
Makes you feel al- [A] right.

Well, I was [D] born to [A] run
To get [D] ahead of the [A] rest
And [D] all that I [A] wanted was to [E] be the [A] best
Just to [D] feel [A] free, and [D] be some- [A] one
I was [D] born to be [A] fast I was [E] born to [A] run.

SOLO in A chords, then B chord

No- [B] body's gonna make me [E] do [A] things [E] their [B] way
[B] By the time you figure it [E] out it's [A] yes- [E] ter [B] day
Well it [E] comes to he who [A] waits I'm [E] told
[E] But I don't need it [A] when I'm [E] old and [F#] gray
Yea I want it [B] today.

Well, I was [E] born to [B] run
To get [E] ahead of the [B] rest
And [E] all that I [B] wanted was to [F#] be the [B] best
Just to [E] feel [B] free and [E] be some- [B] one
I was [E] born to be [B] fast I was [F#] born to [B] run.
