Sitting on the beach like Clarence in Wonderland (*Uh huh*)

I had a dream and I know you'll all understand

Riding up the beach, it only took a moment

Along came a lady looking for amusement

She came up to me and everything was smiling

And then she said something, it sounded like a violin

Let's go to my chateau, we could have a good time,
C **Bb** **C Bb C Bb B**
Drinking lots of sky wine

Miss Juliet Kate, Queen of the Moon (in June / gonna get this tune)
C **E**
We're gonna get there soon Gonna get there soon Yeah Yeah, Yeah Yeah

Suddenly my eyes were popping and jumping (*Good Heavens...!*)

I don't know why but I must have taken something
(*Yes, that's what it was...*)

Juliet's face was screaming with lightning
(*You know what that means...*)

I couldn't see myself, it was very very frightening

I knew I had to leave and I had to do it my way (*My Way...*)

That was very strange cos there wasn't any highway (*Or low way*)

[repeat CHORUS] [x3]
