

# Fish Heads *Barnes & Barnes*

## Chorus

**C** **G** | **G** **C** | **G**  
Fish heads, fish heads, roly poly fish heads.

**C** **G** **G7** **C**  
Fish heads, fish heads, eat them up, yum! X 2

**C** **G** | **G** **C** | **G**  
In the morning, laughing, happy fish heads;

**C** **G** **G7** **C**  
In the evening, floating in the soup.

## Chorus

**C** **G** | **G** **C** | **G**  
Ask a fish head any-thing you want to;

**C** **G** **G7** **C**  
They won't answer - they can't talk.

## Chorus

**C** **G** | **G** **C** | **G**  
I took a fish head out to see a movie;

**C** **G** **G7** **C**  
Didn't have to pay to get it in.

## Chorus

**C** **G** | **G** **C** | **G**  
They can't play baseball; they don't wear sweaters;

**C** **G** **G7** **C**  
They're not good dancers; they don't play drums.

## Chorus

**C** **G** **G** **C** **G**  
Rolly poly fish heads are never seen drinking cappuccino  
in Italian restaurants  
**C** **G** **G7** **C**  
with Oriental women - yeah
