

I Don't Eat Animals (Melanie Safka © 1970)

G
I was just thinking about the way it's supposed to be,

C **G** **D**
I'll eat the plants and the fruit from the trees.

G
And I'll live on vegetables and I'll grow on seeds,

C **G** **D** **G**
but I don't eat animals and they don't eat me,

C **D** **G**
oh no, I don't eat animals 'cause I love them, you see,

C **D** **G** **D** - **D7** - **D** - **D7**
I don't eat animals, I want nothing dead in me.

G
I don't eat white flour, white sugar makes you rot,

C **G** **D**
oh, white could be beautiful but mostly it's not.

G
A little bit of whole meal, some raisins and cheese,

C **G** **D** **G** -
but I don't eat animals and they don't eat me.

C **D** **G**
Oh no, I don't eat animals 'cause I love them, you see,

C **D** **G** **D** - **D7** - **D** - **D7**
I don't eat animals, I want nothing dead in me.

I'll live on life, I want nothing dead in me, you know,

C **G** **D** **G**
I'll become life and my life will become me, you know,

C **G** **D** **D7** **G**
I'll live on life and my life will live on me.
