

IT'S A UKULELE DAY!

Music and Lyrics by Norine Mungo

G Em C D (8 strums each or 4 measures, like the song)

G Em C
It's a ukulele day, so pick up your uke and play
D
The world sure needs to smile
G Em C
Put thoughts of war and hate a-way, they will lead your heart a-stray
D
Just strum with me a-while

Em B7
It's just a silly notion, but like the great big ocean
C G D
This music touches every land
Em B7
Let's cause a big commotion, let notes be your emotion
C G D
Let's put a uke in every hand

G D C
It's a ukulele day, hay hay hay, hay hay hay
D G D C D
It's a ukulele day, hay hay hay, hay hay hay

G
There are concerts, tenors and banjos,
Em
Baritones and little sopranos
C D
A different uke for every-one
G Em
There are clubs and meet up places, you'll get to see new faces
C D
Who knew the uke could be such fun?
Em B7
It's just four little strings, the simple joy it brings
C G D
Is touching hearts in every land
Em B7
Let peace and freedom ring, as we all play and sing
C G D
Let's put a uke in every hand
