

# Put On A Happy Face ©1960 by Lee Adams & Charles Strouse

From "Bye Bye Birdie" as performed by Dick van Dyke

---VERSE---

**D** **B7** **Gmaj7** **A7**  
 Gray skies are gonna clear up, put on a happy face  
**D** **B7** **Em7** **Gm7**  
 Brush off the clouds and cheer up, put on a happy face.  
**F#7** **B7** **Em7** **A7** **D** **D7**  
 Take off that gloomy mask of tragedy it's not your style  
**F#7** **B7** **Gm7** **A7**  
 You'll look so good that you'll be glad, you de-cided, to smile

---[Chorus]---

**D** **B7** **Gmaj7** **A7**  
 Pick out a pleasant outlook, stick out that noble chin  
**D** **B7** **Em7** **Gm7**  
 Wipe off that full of doubt look, slap on a happy grin.  
**G** **D** **A7** **B7** **D** **A7** **D** **D7**  
 And, Spread sunshine all over the place, put on a happy face.

---Interlude: [Chords of Chorus]---

**D** **B7** **Gmaj7** **A7**  
 Pick out a pleasant outlook, stick out that noble chin  
**D** **B7** **Em7** **Gm7**  
 Wipe off that full of doubt look, slap on a happy grin.  
**G** **D** **A7** **B7** **D** **A7** **D**  
 And, Spread sunshine all over the place, put on a happy face.

---VERSE---

**D** **B7** **Gmaj7** **A7**  
 Gray skies are gonna clear up, put on a happy face;  
**D** **B7** **Em7** **Gm7**  
 Brush off the clouds and cheer up, put on a happy face.  
**F#7** **B7** **Em7** **A7** **D** **D**  
 And if you're feeling cross and bickerish, don't sit and whine  
**F#7** **B7** **Gm7** **A7**  
 Think about banana splits and licorice, and you'll feel fine.

---[Chorus]---

**D** **B7** **Gmaj7** **A7**  
 I knew a girl so gloomy, she'd never laugh or sing,  
**D** **B7** **Em7** **Gm7**  
 She wouldn't listen to me, now she's a mean old thing,  
**G** **D** **A7** **B7**  
 So, Spread sunshine all over the place,  
**D** **A7** **D** **D7** **(D** **F#7** **D#7** **G#7** **)**  
 And put on a happy face. (Put on a happy, put on a happy,)

This little modulatory bit follows the "... all over the place" line

---[Outro]---

**G** **A7** **G** **A7** **D**  
 Di Du Di Da Da, Di Duh, Di Duh. Repeat and fade
