If I had a Cat...He would work for NASA

Sail up in his rocket ship

In the big dipper he'd take a dip

He would be a Space Cat

He would be a Space Cat

If I had a Cat...He would wear a Space Suit X2

Custom Made to fit his paws

Being careful with his claws

He would wear a space suit

Meow Choir.....one verse

ENDING WITH Meow?

If I had a Cat...He would be a Space Cat

If I had a Cat...He would be a Space Cat

Fly around the sky all day

Drinkin from the Milky Way
