Baby, I'm a-ware of where you go, each time you leave my door
I watch you walk down the street, knowing your other love you'll meet
But this time before you run to her, leaving me a-lone and hurt
      2 2 4
                F C
(Think it over) after I been good to you
(Think it over) haven't I been sweet to you?
Stop, in the name of love, before you break my heart

Stop, in the name of love, before you break my heart

Think it over, think it o-ver
               CMai7
But is her sweet expression, worth more than my love and affection?
This time before you leave my arms, and rush off to her charms
      2 2 4 F C
                F C
(Think it over) after I been good to you
(Think it over) haven't I been sweet to you?

I've tried so hard, hard to be patient, hoping you'll stop this infatuation
But each time you are together, I'm so afraid of losing you forever
Stop, in the name of love, before you break my heart
                                        (baby, baby hold me)
Stop, in the name of love, before you break my heart
