[F7] [E7] [F7] [E7] [F7] [E7]

Verse 1: [Am] Hot town [Am7] summer in the city

[Am6] Back of my neck getting [Fmaj7] dirty and [Esus4] gritty

[Am] Been down [Am7] isn't it a pity

[Am6] Doesn't seem to be a [Fmaj7] shadow in the [Esus4] city

[E5] All around [E7] people looking half dead

[Am] Walking on the sidewalk [A] hotter than a match head

Chorus:

[D] But at night it's a [G] different world [D] go out and [G] find a girl

[D] Come on come on and [G] dance all night

[D] Despite the heat it'll [G] be alright

And [Bm7] babe don't you [E5] know it's a pity

That the [Bm7] days can't [E5] be like the nights

In the [Bm7] summer in the [E5] city in the [Bm7] summer in the [E5] city

[Am] Cool town [Am7] evening in the city

[Am6] Dressing so fine and [Fmaj7] looking so [Esus4] pretty

[Am] Cool cat [Am7] looking for a kitty

[Am6] Gonna look in every [Fmaj7] corner of the [Esus4] city

[E5] Till I'm [E7] wheezing at the bus stop

[Am] Running up the stairs gonna [A] meet you at the rooftop

Repeat Chorus

[Am] [Am7] [Am6] [Fmaj7] [Esus4] [Am] [Am7] [Am6] [Fmaj7] [Esus4]
