

# Tequila Makes Her Clothes Fall Off

Gary Hannan John Wiggins

[C] She said I'm goin' out with [F] my girl-[C]friends  
For margarita's at the [G] Holiday [C] Inn  
Oh have [C] mercy my [F] only [C] thought  
Was [Am] tequila makes her [G] clothes fall [C] off

[C] I told her put an extra [F] layer [C] on  
I know what happens when she [G] drinks [C] Patron  
Her closets missin' half the [F] things she [C] bought  
Yeah [Am] tequila makes her [G] clothes fall [C] off

[F] She'll start by kickin' [C] out of her shoes  
[G] Lose an earring in her [C] drink  
[F] Leave her jacket in the [C] bathroom stall  
[Dm] Drop a contact down the [G] sink

[C] Them panty-hose ain't gonna [F] last too [C] long  
If the DJ puts Bon [G] Jovi [C] on  
She might come home in a [F] table [C] cloth  
Yeah [Am] Tequila Makes Her [G] Clothes Fall [C] Off

[C] She can handle any [F] champagne [C] brunch  
Bridal shower with [G] Bacardi [C] punch  
Jello shooters [F] full of Smir[C]off  
But [Am] tequila makes her [G] clothes fall [C] off

[F] She'll start by kickin' [C] out of her shoes  
[G] Lose an earring in her [C] drink  
[F] Leave her jacket in the [C] bathroom stall  
[Dm] Drop a contact down the [G] sink

[C] She don't mean nothin' she's just [F] havin' [C] fun  
Tomorrow she'll say oh what [G] have I [C] done  
Her friends will joke about the [F] stuff she [C] lost  
Yeah [Am] tequila makes her [G] clothes fall [C] off  
Oh [Am] tequila makes her [G] clothes fall [C] off  
Oh [Am] tequila makes her [G] clothes fall [C] off
