[Intro]

| Am | Am |

As [Am] soon as you're born they [G] make you feel [Am] small
By [Am] giving you no time in [G] stead of it [Am] all
Till the [Am] pain is so big you feel [G] nothing at [Am] all
A [Am] working class hero is [G] something to [Am] be
A w[Am]orking class [G]hero is [D] something to [Am] be

They [Am] hurt you at home and they [G] hit you at [Am] school
They [Am] hate you if you're clever and they [G] despise a [Am] fool
Till you're [Am] so fucking crazy you can't [G] follow their [Am] rules
A [Am] working class hero is [G] something to [Am] be
A [Am] working class [G]hero is [D] something to [Am] be

When they've [Am] tortured and scared you for [G] twenty odd [Am] ears
[Am] Then they expect you to [G] pick a ca[Am]reer
When you [Am] can't really function you're [g] so full of [Am] fear
A [Am] working class hero is [G] something to [Am] be
A [Am] working class [G]hero is [D] something to [Am] be

Keep you [Am] doped with religion and [G] sex and T.V. [Am]
And you [Am] think you're so clever and [G] classless and [Am] free
But you're [Am] still fucking peasants as [G] far as I can [Am] see
A [Am] working class hero is [G] something to [Am] be
A [Am] working class [G]hero is [D] something to [Am] be

There's [Am] room at the top they are [G] telling you [Am] still
But [Am] first you must learn how to [G] smile as you [Am] kill
If you [Am] want to be like the [G] folks on the [Am] hill
A [Am] working class hero is [G] something to [Am] be
A [Am] working class [G]hero is [D] something to [Am] be

If you [Am] want to be a hero well [G] just follow [Am] me
If you [Am] want to be a hero well [G] just follow [D] me [Am]
