Moderato

One night I went to the Pal - ais de Dance To trip the light fan - tas - tic, I
My face got red at the things that she said, I thought I must be dream-ing, It
spied a girl who was stand-ing a - lone, Chew-ing a hunk of e - las - tic. She
knocked me cold when she start-ed to scold, One of her eyes was gleam-ing. I
seemed to look al - right, I thought I'd be po - lite.
bowed down to the floor, Po - lit - er than be - fore.
